## ZINFANDEL | 2015 PELTIER BLACK DIAMOND

**\$20**   \$16.00   \$15.00   \$14.00

hint of jamminess | blackberry | white pepper | balanced tannins

This Zinfandel is a perfect nod to Lodi's signature jammy style Zinfandel yet balanced with white pepper spice, making it a wonderful food wine. Small batch fermentation and different yeasts were used to achieve the desired aromas. After fermentation, the wine went into oak for well integrated tannins and a smokey, chocolate nose.

## PETITE SIRAH | 2015 PELTIER BLACK DIAMOND

**\$20**   \$16.00   \$15.00   \$14.00

raspberry | ripe plum | brown sugar | bold, long finish

The very first wine we ever bottled was a 2005 Petite Sirah. It won a Gold Metal at the California State Fair and brought to fruition the idea that we could be more than a custom crush facility.

*Gold - 2018 San Francisco Chronicle Wine Competition*

## CABERNET SAUVIGNON | 2017 PELTIER BLACK DIAMOND

**\$25**   \$20.00   \$18.75   \$17.50

blueberry | dark cherry | pepper | full body | long finish

50% of this Cab is aged in French barrels and the other half in stainless so as not to overwhelm with Oak but enhance the vineyards natural characteristics. Dark fruits like blueberry and plum are perfectly balanced by notes of caramel and a long finish.

## PINOT NOIR | 2017 PELTIER DIAMOND

**\$30**   \$24.00   \$22.50   \$21.00

dark cherry | boysenberry | black currant | vanilla

True to our winemaking style, this Pinot Noir is representative of the region. The warmer climate of the Lodi Appellation brings more delicate berry notes than the floral notes found in coastal Pinot Noirs. This is an incredibly versatile wine with cherry and black currant aromatics softened by vanilla notes from the 10 month barrel aging in French Oak.

## OLD VINE ZINFANDEL | 2017 PELTIER PREMIUM

**\$36**   \$28.80   \$27.00   \$25.20

## CABERNET SAUVIGNON | 2016 PELTIER RESERVE

**\$60**   \$48.00   \$45.00   \$42.00

raspberry | blackberry | pepper | dark chocolate | caramel | full body

The first harvest of this Cabernet Sauvignon vineyard happened to also be the first harvest of winemaker, Susana "Susy" Rodriguez Vasquez with Peltier. Through experimentation and growth in congruence the vineyard, Susy challenges herself vintage after vintage to make a Cabernet better than the last. This is a bold Cab that begs for a juicy prime rib or hearty pasta, a must try for yourself.

## TEROLDEGO | 2011 PELTIER RESERVE

**\$60**   \$48.00   \$45.00   \$42.00

blackberry | blueberry | dried fig | dark brown sugar | vanilla | earthy | full body

Teroldego is a varietal with origins in Northern Italy and compared by many to a Syrah or California Zinfandel. This wine is a unique expression of the vineyard and region. Full of dark fruit, warm spice and vanilla that comes from 36 months spent in New French Oak Barrels, Schatz Family Reserve Teroldego has a round mouthfeel and lots of texture. We first planted this big, bold red in 2002, shortly after Peltier was built and it still grows beautifully today, just South of the winery.

## DESSERT WINE of SYRAH | USB

**\$32**   \$25.60   \$24.00   \$22.40

dried cherry | orange peel | butterscotch | modestly sweet | long finish

Fortified with grape alcohol, this dessert style wine is our version of a port. The back label reads: "Beginning March 10, 2006 wineries seeking label approval in the United States were no longer allowed to use specific descriptions and geographical designations. A few names that are not authorized for use on wines originating in the United States seeking label approval include: Burgundy, Champagne, and Port. In 2008 we were ready to release our "dessert wine," and were confronted with this problem. What to call a "Port" style wine if you are not permitted to use the word Port on the label? So naturally a USB Port that is used by billions of people daily was our answer, thus the birth of USB \_ (You get the idea)..."
