COLLIER CREEK WINES

Collier Creek Wine Co. was introduced in 2016 as a stand alone brand in the Peltier Winery & Vineyards portfolio. It was created to honor the Lodi Appellation, it's fruit, and to remind us that farming matters, future matters, and good wine can be affordable and sustainable.

sustainable winegrowing

All of our vineyards are Certified Green - Lodi Rules for Sustainable Winegrowing Practices. This third party program is known to be the most recognized in the industry with stringent yearly audits covering all facets of wine stewardship. A number of practices are required to pass the certification including care of the land, air, water, soil, and employee.
