apricot | pineapple | guava | haelnut | stainless fermented

food pairing

quinoa salad | goat cheese | fish tacos w/ citrus slaw

sustainable winegrowing

All of our vineyards are Certified Green - Lodi Rules for Sustainable Winegrowing Practices. This third party program is known to be the most recognized in the industry with stringent yearly audits covering all facets of wine stewardship. A number of practices are required to pass the certification including care of the land, air, water, soil, and employee.
