notes We named this Italian varietal after the woman who loved to feed us all, a mother, grandmother and great grandmother: Teresa Marengo. Marengo Pinot Grigio comes from the vineyard where she lived and where she became known for her prized cherry orchards. Her love for butter was only matched by her love for feeding friends and family. This food friendly Pinot Grigio is for those who live to eat and those who love to feed us. For our Nonna.

 SUSTAINABLE WINEGROWING PRACTICES

All of our vineyards are Certified Green in the "Lodi Rules for Sustainable Winegrowing Practices." This third party program is known to be the most recognized in the industry with stringent yearly audits covering all facets of wine stewardship. A number of practices are required to pass the certification including care of the land, air, water, soil, and employee.
